

Ethics Takedown Demands Worksheet

Have students take note on the articles in preparation for class discussion, ultimately leading to developing guidelines for your staff and ethics manuals. Have students discuss the following questions:

Students' responses:

1 What are legal considerations for taking down coverage?

2 --What are ethical considerations for down coverage?

3 --Which arguments make the most sense for your student media?

4 --Which alternatives create the most logical solutions for your media?

5 --What types of requests might lead to information removal?

6 --Other thoughts as locally developed.
