Benefits of Becoming a Patron

As a supporter of the Harrisonburg High School Journalism program, your name will be published in every issue of the Newsstreak on the Patron Page.

You will also receive a copy of the Newsstreak each month. The Newsstreak is delivered to all Harrisonburg High School students free of charge. The patron program will guarantee that you get to see the paper every time it is printed!

Money generated from the patron program is used to offset costs of attending national journalism conferences, to purchase computer and camera equipment and supplies for our publications room, and to print our newspaper. We truly appreciate any contribution made to our program and look forward to building a terrific working relationship between the Newsstreak and the Harrisonburg community patrons.
