Flexible Style Applications

List some specific times during your publication cycle that you can try to employ (or avoid) the following styles to help your staff accomplish its mission.

Autocracy

Given your staff's unique circumstances, when and where do you see yourself needing to lean *toward* autocratic leadership? When might you need to *resist* it?

Delegation

Given your personal strengths and abilities, what tasks would be wisest for you to delegate?

Participation

List 2-3 areas that your staff could benefit from a focused and intentional participatory style?
